INTRODUCTION

A tax exemption is a discharge from the obligation to pay all or a portion of a tax. Exemptions are conferred by the Legislature on particular categories of persons or property.

Clauses 22, 22A, 22B, 22C, 22D and 22E of Section 5 of Chapter 59 provide exemptions to certain veterans who were not dishonorably discharged and who meet certain residency requirements, and their spouses, surviving spouses or surviving parents. All eligibility requirements must be met as of July 1 of the tax year.

APPLICATIONS

Applications must be filed annually with the local assessors in the city or town where the property is located on or before December 15th, or 3 months after the actual tax bills are mailed, whichever is later. Filing an application does not entitle the applicant to delay in tax payment.

RESIDENCY REQUIREMENTS

A veteran must (1) have been a Massachusetts domiciliary for at least six months before entering the service **OR** (2) have lived in Massachusetts for at least 5 years unless the city or town has accepted an alternative local option provision. If that option is accepted, a veteran not domiciled in Massachusetts for at least six months before entering the service must have lived in the state at least 1 year.

DOCUMENTATION

An applicant for an exemption must provide to the assessors whatever information is reasonably required to establish eligibility. This information may include, but is not limited to:

1. Certification of a service connected disability from the Veterans Administration or the branch of service from which separated.
2. Evidence of ownership, domicile and occupancy.

DOMICILE

The veteran, or if deceased, the veteran's surviving spouse or parent, must occupy the property as his or her domicile on July 1 of the tax year.

OWNERSHIP

1. A qualifying applicant must possess a sufficient ownership interest in the domicile as of July 1 of the tax year. This ownership requirement is satisfied if the person's ownership interest is worth at least an amount ranging from \$2,000 to \$10,000, depending on the exemption. The person may own this interest solely, as a joint owner or as a tenant in common.
2. The holder of a life estate satisfies the ownership requirement.
3. If the domicile is held in a trust, a person can only satisfy the ownership interest if he or she:
 - (a) Is a trustee or co-trustee of that trust, **and**
 - (b) Possess a sufficient beneficial interest in the domicile through that trust.
