Mr. Wieloch, enclosed is a motion made and unanimously approved by the Dudley Historical Commission at its February 10, 20115 monthly meeting.

“To satisfy a request of the Army Corps of Engineers, and meet their requirements conveyed to Mr. Paul Wieloch, 28 Center Road, Dudley, Ma. 01571, concerning the demolition of the dam at the rear of his Center road property; E. Martin made a motion that said dam is found to be without historical significance in the opinion of the Dudley Historical Commission. Motion was seconded and passed by a vote of four ayes and one abstention.”

Preceding this motion, after a discussion, the Commission was comfortable with the conclusion set forth. We hope it will satisfy the requirements of the Army Corps of Engineers in this matter.
