We have received 25 soil tests from the University of Maine to distribute at events. We can have people bring their soil samples and checks and we will pay for postage, once we have a box full. Our upcoming events include: the 2nd annual Dudley Grows Together plant sale, the Strawberry Festival and the Apple Festival. We will advertise the soil samples there.

Dudley Grows together is being held on May 20, 2023 from 9am to 12pm. We are also looking into a tomato tasting/contest for August/September.

We will have a table at the upcoming Open Space Recreation Committee meeting on March 23, 2023 from 5:30pm to 7:30pm, at the Dudley Library. Linda and Katie are planning to attend.

Katie made a motion to adjourn our meeting at 8:27 pm and Lanette seconded the motion. All in favor and motion passes.

Respectfully Submitted,
Katie Rozenas-Hanson
