The Town of Dudley Economic Development Committee (EDC), the Town Planner, and the Central Massachusetts Regional Planning Commission (CMRPC) are embarking on a plan for revitalizing the area of Dudley along West Main Street from around Schofield Avenue to the Webster town line known as the **“Gateway Area”** as shown on the map below. This plan will be guided by the Webster-Dudley 2020 Corridor Study and the Dudley Economic Development Plan.

The Gateway Plan will help guide how this area of Dudley may be revitalized in the future, and we want to hear from you. A survey has been developed to request the opinions of anyone who lives, works, goes to school, or operates a business in Dudley, and all are invited to participate. The survey results will be discussed at an upcoming EDC meeting.
