Dudley, MA 01571

Dear Mr. Scanlan,

On behalf of Nichols College, I am requesting a continuation of the public hearing scheduled for tonight, August 10th, to further evaluate public comment/concern from the public hearing held on July 13, 2022.

Due to the effort necessary to evaluate specific concerns including storm water management and the detention pond, we are requesting a continuation until the October 26th meeting.

Sincerely,

Robert LaVigne
