2022-2023 School Committee Goals

Budget and Finance

DCRSD will work with all stakeholders to establish a FY24 budget that maintains the integrity of existing programs, seeks input on priorities of staff, students, and community members during the budgeting process, communicates transparency in process and expenditures, and provides our students with a comprehensive educational experience.

Shepherd Hill Building Project

By the conclusion of the 2022-2023 school year, the DCRSD will engage the families and community members in the Towns of Dudley and Charlton to prepare both communities for entry into the Massachusetts School Building Authority's Feasibility Grant Program for the Shepherd Hill Regional High School.

Communication

During the 2022-2023 school year, DCRSD will increase outreach to our communities through strengthening our working relationships with local boards and increased presence at school/community events. We will continue to provide opportunities for all stakeholders to understand resources available to our students and families within the district as well as any major initiatives within the District.
