**For Immediate Release**

June 27, 2023

**The Dudley Board of Health and Dudley Police Department's Third Annual Kids Bike Rodeo on June 22 saw the biggest turnout to date.**

Forty-eight children and their families gathered that Thursday evening in the Dudley Town Hall upper parking lot to practice biking skills, including hand signals and reading street signs.

Bike inspections, helmet fittings and sizing were provided by Boston Children's Hospital.

The evening included practice bike courses, music and food. The rodeo was open to residents of Dudley and surrounding towns.

The Dudley Board of Health and Police Department thank the many volunteers who made the event possible and rodeos sponsors the Dudley Highway Department, Boston Children's Hospital, Airbrush Shack and Southbridge Bike.
